

Silent, reliable and easy to use

SIMPLICITY AND COMPLETENESS

The glass and dishwashers of the DWASH series are ideal for bars, pubs, restaurants and hotels.

These under-counter beautifully designed machines with a newly re-designed control panel, feature a wide loading capacity granting the highest performance at a reasonable price.

According to the user's needs the machine can be customized thanks to many optional features such as water softener, detergent dispenser and drain pump.

DWASH 35

DWASH 40

- AISI 304 structure
- Sound and heat proof door
- Double skin door with security microswitch
- Deep-drawn and inclined tank for a perfect total drain
- Overflow and drain pipes integrated system, for a triple protection of the washing pump
- Anti dropping roof to safeguard the hygiene of the freshly washed dishes

- Light wash and rinse arms, granting the best efficiency also when the water pressure is weaker
- Easy to remove nozzles, to help with daily cleaning operations
- Back flow prevention valve
- Rinse-aid dispenser
- Thermostop system: the rinse starts only when the water in boiler reaches 85°C

DWASH 50

- A further upper surface filter
- Door security
- Built-in rinse-aid pump
- AISI 304 structure
- Sound and heat proof door
- Double skin door with security microswitch
- Deep-drawn and inclined tank for a perfect total drain
- Overflow and drain pipes integrated system, for a triple protection of the washing pump
- Anti dropping roof to safeguard the hygiene of the freshly washed dishes
- Light wash and rinse arms, granting the best efficiency also when the water pressure is weaker
- Easy to remove nozzles, to help with daily cleaning operations
- Back flow prevention valve
- Rinse-aid dispenser (peristaltic version on demand)
- Thermostop system: the rinse starts only when the water in boiler reaches 85°C

DWASH 100

- One wash cycle
- Hood operating start/stop functions
- Deep-formed tank
- Built-in rinse-aid pump
- Tank and boiler thermometres
- A further upper surface filter
- Linear or angular layouts
- Easily removable basket support
- Light wash and rinse arms, granting the best efficiency also when the water pressure is weaker
- Double tank filter + pump filter

CARE FOR OUR CUSTOMER

Our aim is to reduce consumptions in terms of energy, water and chemical products, therefore granting the final user a global savings, but also less pollution and waste of natural resources.
