Glo-Ray® Heated Glass Merchandiser

Models: GR3SDS-39DTC, -39TCT

Hatco Glo-Ray® Slanted Heated Glass Merchandising Warmers are perfect for self-serve operations, designed specifically to hold hot wrapped or boxed product at optimum serving temperatures. Increasing holding capacities and impulse sales with a curved design that compliments any decor.

Standard features

- Unique, patented heated glass shelves conduct heat to food product above and below
- Blanket-style heating elements in the hardcoated base and canopy are thermostatically-controlled
- Comes standard in Glossy Gray
- Unique, patented heated glass shelves with infinite controls
- LED lighting allows for optimum food product display with energy savings
- Attractive curved top design includes a built-in front sign holder (sign not included)
- Also with tempered glass side panels, heated base, and box stops/sign holders on each shelf (signs not included)

Options (available at time of purchase only)
